IMPREX PRIME POS
J1900, 15", 4GB, 120GB, W10 IOT

DESCRIPTION

With an innovative all-in-one system, the IMPREX® PRIME has all you need as a POS terminal. With a high-speed 3″ POS printer integrated into the terminal, there is no need to decide what to have around it as peripherals. The touch display with a bright screen delivers a vivid and crisp image. The powerful computing part serves as a sturdy base stand as well. Unboxing and putting it on the counter is all you can do to start the installation.
